

# TIMELINE FOR **STUDY ABROAD**

## **1 RESEARCH**

Start looking at your program options **18-24 MONTHS** BEFORE you plan on studying abroad. Attend a Study Abroad Fair and/or information sessions.

Considering the following:

- Academic & Career interests
- Duration & Destination
- Cost and Funding

## **2 TALK TO YOUR ADVISORS**

Talk with a study abroad advisor and/or your academic advisor **12-18 MONTHS** before you plan on studying abroad. They will help you determine the program that fits best with your curriculum and career interests.

## **3 PRE-PLANNING**

By **9-12 MONTHS** before, narrow down your program options. Make sure your Passport and FAFSA are up to date!

## **4 APPLY!**

At **6-12 MONTHS** before, submit your study abroad application along with any scholarship applications.

## **5 FINAL PREPARATIONS**

**3-6 MONTHS** before departure, make sure you've created a checklist of final details:

- Signed Course Approval Form
- Make host city housing arrangements
- Book your flights
- Apply for your study visa
- Attend all pre-departure orientations!
